

우수리미 부부

WOOSOORIMI BUBU

youtube.com/@woosoorimi · SOUTH KOREA · EST. 2019

A Korean couple raising a four-year-old, testing home appliances and living products in an actual home. Seven years running, 402,000 subscribers.

170,086

Average views per sponsored video

On this channel, sponsored content outperforms regular content. Branded videos average 87% more views than everyday content (90,830). Product reviews are not a tax on reach here — they are the channel's strongest format.

+87% vs. non-sponsored

CHANNEL

402,000	15.24M	182	7 yr
Subscribers	Lifetime views	Videos published	Active since 2019

PERFORMANCE BY CONTENT TYPE — last 50 uploads

TYPE	VIDEOS	AVG. VIEWS	PEAK	EFFICIENCY
Product / sponsored	18	170,086	356,487	0.42
Travel vlog	15	107,365	263,582	0.27
Everyday / parenting	17	90,830	214,951	0.23

By format: Shorts average 130,883 views, long-form 119,949. Releasing one product as a Short and a long-form video on the same day gives the widest combined reach. Efficiency = average views ÷ subscribers.

RECENT BRAND CAMPAIGNS

BRAND / PRODUCT	FORMAT	VIEWS
DJI ROMO-P CN	Long-form	346,081
DJI ROMO-P CN	Shorts	288,948
Bambu Lab P2S CN	Shorts	254,062
Bambu Lab P2S CN	Long-form	240,164
Temu CN	Shorts	214,951
Snuggle	Shorts	356,487
Dreame CN	Long-form	147,200
Samsung Neo QLED	Shorts	72,875
Haier CN	Long-form	60,362

Five of the ten most-watched videos of the past year are campaigns for Chinese brands. This channel has a track record of introducing Chinese appliance and hardware brands to Korean households.

COLLABORATION PACKAGES – shot once, distributed across every channel

BASIC - One long-form YouTube video (5–10 min) - Real in-home usage footage and review - Permanent posting	STANDARD - Everything in Basic - One Short released the same day - Short-to-long-form funnel (pinned comment, description) The DJI and Bambu Lab campaigns used this structure.	PREMIUM - Everything in Standard, with two Shorts - Cross-posted to Instagram Reels, TikTok, Naver Clip - Secondary usage rights for brand-side ads - Post-campaign performance report

Rates depend on product category and production scope. Rate card available on request.

HOW WE WORK

Payment	50% on production start, 50% on publication
Lead time	2–3 weeks from product delivery, including shooting, editing and review
Revisions	Two rounds before publication. Factual corrections are unlimited
Ad disclosure	Paid-partnership disclosure is always included, per Korea Fair Trade Commission guidelines. This is not negotiable.
Product safety	A child appears on camera, so Korean safety certification (KC) documents are verified before contracting
